RESPONSE

Hon. Commissioner of Patents and Trademarks,
Washington, D. C. 20231

Sir:

Responsive to the Office Action dated November 30, 2001, the following remarks are made:

In deference to the restriction requirement on pages 2 and 3 of the above-identified Office Action, applicants elect group I, claims 1-9, for prosecution at this time.

Applicants reserve the right to file a divisional application including the method claims of group II at a later date and/or to request a rejoinder under MPEP §821.04.

In view of the foregoing, the early issuance of an Action on the merits of claims 1-9 is solicited.

Respectfully submitted,

Markus Nollff
